

Bucks County Horse Park  
*presents*  
IN- GATE Eventing 2016

Come join us for a day of eventing fun at the Park! We will have a dressage judge in attendance, a great stadium course and IN-GATE (in the ring) cross country courses. This is fashioned after the newest craze in Europe, indoor eventing. These shows feature dressage and stadium, but offer the competitor a cross country course on excellent ring footing. This allows horse and rider to develop confidence over cross country fences. We are offering two cross country levels this year. They will be at Elementary and Beginner Novice heights; Novice riders are invited to try the Beginner Novice course and Starter riders can try a modified Elementary course. The courses are approximately 800 meters and will be timed in keeping with the appropriate cross country level.

Do two dressage tests, do a fix-a-test, omit dressage and do two cross country courses, do three stadium courses.....it's your choice to put your day together as it suits you!

**No pre-entry required** Pre-enter to reserve specific dressage time. Entries are payable when time is assigned. Once time is requested a 48 hour notice of withdrawal is requested to free time slot for others and will not incur entry fee. Unassigned dressage times may be available on competition day.

**Dressage** – \$20 per test, \$30 per fix-a-test. Sign up for specific tests at the secretary's stand. Times will be assigned on a first come, first serve basis (unless previously arranged). Fix-a-tests must be assigned times. All Event tests will be the 2014 version.

**Stadium** – \$15 per round. The courses will be timed and set as follows:
