The intent of this mini-series is to offer courses that are straight forward and inviting with wide faces and many with encouraging wings to help "steer" into the fence correctly. Obstacles with a greater degree of difficulty such as Banks, Drops, Ditches, and the Water Complex are generally flagged in a way to offer multiple options. Courses are considered schooling or "move-up" and are **not** built to the maximum height and width requirements.

Entries may be mailed, faxed or emailed & must be received by closing date with payment.
