presents
IN- GATE Eventing 2018

Come join us for a day of eventing fun at the Park! We will have a dressage judge in attendance, a great stadium course and IN-GATE (in the ring) cross country courses. This is fashioned after the European invention, indoor eventing. These shows feature dressage and stadium, but offer the competitor a cross country course on excellent ring footing. We are offering three cross country levels this year. The courses will be timed in keeping with the appropriate cross country level.

No pre-entry required However, pre-entry is required to reserve specific dressage time. Entries are payable when time is assigned. Once time is requested a 48 hour notice of withdrawal is requested and will not incur entry fee. Unassigned dressage times may or may not be available on competition day. Times will be posted the day prior to the show on the website, please plan accordingly.

Dressage – \$20 per test, \$30 per fix-a-test. Sign up for specific tests at the secretary's stand. Times will be assigned on a first come, first serve basis (unless previously arranged). **Fix-a-tests must be pre-assigned times.** All Event tests will be the 2018 version.

Stadium – \$15 per round. The courses will be timed and set as follows:

11:00 – 12:00	Starter	2'
12:30 – 1:30	Elementary	2'3"
