Hunter Derby ~ August 2, 2018

The Hunter Derby will be held on the Parade Field. It will be judged as two Hunter Classes over fences including natural obstacles and hills. A trot fence or halt on may be required in the handy class (Class B). There will not be a Championship awarded for the classes.

Year-End Awards Program

The year-end awards will be presented at the Annual Banquet on November 10, 2018. You must be registered in the same division or class at a minimum of 4 shows out of 13 shows. You do not need to be a BCHP member. If you are a BCHP member, you are automatically enrolled in the Year-End Awards Program. If you would like to participate as a non-BCHP member, please ask at the Secretary's stand for an application which includes a \$20 administration fee.

In Hunter Classes, points will be awarded to the HORSE.
In Equitation Classes, points will be awarded to the RIDER.
Jumper points will be awarded to the same HORSE and RIDER combination. Jumper Year End Awards may be awarded to a rider/horse combination in two consecutive divisions.

Riders may compete at one level above year-end award goal. Trainers wishing to participate in the annual Trainer's Award must be registered in the Year-End Awards Program.

Scoring of Jumper Classes

To encourage the development of competitor skills and safe jumping, touches will count in classes 71 through 77.

Course 1 & 3 for all divisions 2'3" and up, All Itty-Bitty Classes Table II, Sec. 2 (b)—The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. If a competitor has gone clear in the first round, the competitor will, without leaving the ring, upon an audible signal, commence the designated jumpoff course. A competitor with a clear round may dismount, and with assistance if necessary, adjust tack and/or equipment; however, upon the audible signal to begin his/her round, the competitor is responsible to adhering to the 45 seconds rule as per JP136.3. A competitor who leaves the arena after a clear round (before or after the tone) will be considered to have withdrawn from the jump-off. If there are no clear rounds and a tie exists for first place, the results will be determined by the scores and time from that round

Course 2 for all divisions 2'3" and Up

Table IV Sec. 2 (c)—The first round and first jump-off are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed if any [Note: The use of a time allowed is optional in the initial round.]. If a competitor has gone clear in the first round, he will, upon crossing the finish line, commence the designated jump-off, with time starting as the horse crosses the finish line for the initial course. In the case of equality of faults in the jump-off, ties will be broken on the following basis: an "Optimum Time" (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc. If there are no clear rounds, a jump-off, scored as described above, will take place among those tied for first place. BOD 11/13/17 Effective 12/1/17

FAULTS FOR THE FOLLOWING

1. Classes 71 through 77 Audible rap of the rail - 2 faults
2. Knockdown of obstacle or standard with any portion of horse, rider, or equipment, when jumping - 4 faults
3. Knockdown of timing equipment, start and finish lines, or flags - 4 faults
4. First disobedience anywhere on course - 4 faults
5. Second disobedience anywhere on course - 4 faults
6. One (1) fault for each second over Optimum Time.

ELIMINATION FOR THE FOLLOWING

Third disobedience anywhere on course, exceeding Time Limit, resisting forward movement for 45 sec., taking 45 sec. to jump the first obstacle after the round has begun, taking 45 sec. to jump the second obstacle on course, fall of horse and/or rider, jumping an obstacle before it is reset or without waiting for the signal to proceed, starting before the start signal, failure to cross the start line within 45 sec., off course, failure to enter arena after 1 (one) minute of being called, leaving the arena before finishing the course, abuse or excessive use of whip or spurs any time within the arena.
